Flexibility?**

There's an App for That.

As our lives become more mobile, we are finding even more ways to enjoy the freedom and flexibility of staying connected and getting things done anytime, anywhere. At CVS Caremark, our goal is to bring you expert care and innovative solutions that simplify your life.

As the first Prescription By Mail provider to bring you a way to order and manage your prescriptions from your mobile device, we help you seamlessly connect with Caremark.com—all so you can sync without saving personal data for secure, real-time transactions.

Why Go Mobile?

Once you download the free app to your mobile device you can log in and register to:

- Refill a prescription
- Confirm order status
- See prescription history
- Use FastStart®
- Check drug cost
- Find a pharmacy
- Contact CVS Caremark
- View a digital version of your Member ID card

Ready to go mobile? Visit www.caremark.com to download the free app and start enjoying the ease of ordering and managing your prescriptions on the go, today.
